Only those items to which a price is attached in the foregoing Catalogue can be supplied (for the most part unstitched). In ordering it will be sufficient to quote the Catalogue number.

Orders will be executed in sequence of application until the available supply is exhausted.

Applications should be addressed to the Librarian as soon as possible; after December the Catalogue will be sent to others than Fellows.

The following volumes can be supplied complete, at the prices annexed:—

First Series. Vol. 27 (£1 1s. Od.); 29 (£1 8s. Od.); 30 (16s. Od.)

Second Series: Botany. Vol. 3 (£1 11s. Od.); 4 (£1 5s. Od.);
5 (£1 6s. Od.); 6 (£1 6s. 6d.).

Second Series: Zoology. Vol. 3 (£1 4s. Od.); 4 (17s. Od.);
5 (£1 6s. 6d.); 6 (£1 8s. Od.); 7 (£1 6s. Od.); 8 (£1 7s. Od.).

Certain other volumes could be supplied at about half the published price, if required, but it would be necessary to reprint some of the plates from the original coppers. This applies also to many unpriced papers. For information respecting these, apply to the Librarian.

Cheques or Postal Orders should be made payable to
"The Linnean Society" and crossed "Lloyds Bank."

Postage free on orders of 10s. and upwards.
